Dear Sir -

My daughter Liane Harris is at the People Temple in Jonestown camp - I am quite concerned for her welfare -

I would like to arrange a ticket home for her to be kept at the Embassy - If she could be informed of that fact when your officer visits there I would be most appreciative.

I would ~~also~~ also appreciate if you would permit me to send a letter to her through you and further request that she be permitted to read it immediately & in privacy and alone, in the presence of the Embassy Officer only & to respond if possible also in privacy, without duress or interference on the part of any other person even her friends. Thank you for your efforts

Sincerely
